This Coven Won't Break Isabel Sterling 2020-05-19 In this gripping, romantic sequel to *These Witches Don't Burn*, Hannah must work alongside her new girlfriend to take down the Hunters desperate to steal her magic. Hannah Walsh just wants to finish high school. It's her senior year, so she should be focusing on classes, hanging out with her best friend, and flirting with her new girlfriend, Morgan. But it turns out surviving a murderous Witch Hunter doesn't exactly qualify as a summer vacation, and now the rest of the Hunters seem more intent on destroying her magic than ever. Of course, Hannah knows a thing or two about juggling romance and recon missions, so when she learns the Hunters have armed themselves with a serum capable of taking out entire covens at once, she doesn't think twice about helping. With Witches across the country losing the most important thing they have—their power—Hannah could be their best shot at finally defeating the Hunters. After all, she's one of the only Witches to escape a Hunter with her magic intact. Or so everyone believes. Because as good as she is at faking it, doing even the smallest bit of magic leaves her in agony. The only person who can bring her comfort, who can make her power flourish, is Morgan. But Morgan's magic is on the line, too, and if Hannah can't figure out how to save her—and the rest of the Witches—she'll lose everything she's ever known. As the Hunters get dangerously close to their final target, will all the witches in Salem be enough to stop an enemy determined to destroy magic for good?

Keepers of Tradition Maggie Holtzberg 2008 Throughout Massachusetts, artists carry on and revitalize deeply rooted traditions that take many expressive forms--from Native American basketry to Yankee wooden boats, Armenian lace, Chinese seals, Puerto Rican santos, and Irish music and dance. These keepers of tradition are recognized in their communities as outstanding practitioners of craft, music, dance, and sacred arts. Yet much of this work is hidden to the public at large, remaining essentially unknown beyond the local community in which it flourishes. This beautifully illustrated volume celebrates and shares the work of a wide array of these living artists. Passed down from person to person within both long-settled and new immigrant communities, traditional art involves the shaping of deeply held cultural values into meaningful artistic forms. Keepers of Tradition presents material drawn from eight years of

intensive field research by folklorists at the Massachusetts Cultural Council--an investigation that has taken researchers into the homes, kitchens, workshops, dance halls, places of worship, parade routes, and festival sites where traditional art is produced, used, valued, and displayed. Featuring more than sixty artists from communities across the state, Keepers of Tradition showcases high levels of mastery in diverse media--the uniformity and handiness of a Nantucket Lightship basket, the Native quill work on a tobacco pouch, the vibrant colors and textures of a Caribbean Carnival costume, the exquisite gestures of Cambodian dance. At the same time, the text describes the deeply personal and cultural context for each piece of work. This volume is published in conjunction with an exhibition of the same name, organized by the Massachusetts Cultural Council and the National Heritage Museum in Lexington, Massachusetts, and on view there from May 2008 through February 2009.

Magnus Chase and the Ship of the Dead (Book 3) Rick Riordan 2017-10-03 Rick Riordan's Norse hero faces his greatest challenge yet in the final instalment of the series. Loki the trickster god is free from his chains. Now he's readying Naglfar, the Ship of the Dead, armed with a host of giants and zombies, to sail against the Norse gods and begin the final battle of Ragnarok. It's up to Magnus Chase and his friends to stop Loki's plans, but to do so they will have to sail across the oceans of Midgard, Jotunheim and Niflheim in a desperate race to reach Naglfar before it's ready to sail on Midsummer's Day. Along the way, they will face angry sea gods, hostile giants, and an evil fire-breathing dragon who happens to be a former acquaintance. But Magnus's biggest challenge will be facing his own inner demons. To defeat Loki, Magnus will need to use words, not force. This will require finding a magical elixir so deadly that it will either make Magnus Chase powerful enough to out-talk the silver-tongued Loki, or destroy Magnus utterly.

The Lost Art of JAN M. DOUGHERTY 2011-03 Yes! you really can clean your house and everything in it using just 3 products and it will cost you about \$20 per year. I have owned a residential cleaning company since 2004 and this book actually started life as my employees' handbook. Since this book was first published not much has changed. Dirt is still dirty and whether or not you want to clean your home, it still has to be cleaned. Most people hate to clean simply because they don't know how to do it, they were never taught. Were you actually taught how to clean? Probably not, but that's not your fault. Do you want to learn how to do it, like a professional, using minimal products and saving a bucket of money on cleaning supplies? If you do, then buy my book. First, I will send you to the store with a short shopping list; I will explain why I use each product and then how to use each product or tool, which by the way isn't much. I will then explain the logic behind my method of cleaning, called The PATH and then I will literally walk you through cleaning the different rooms in your house. The beauty of The PATH is that you can start and stop a cleaning job in any room and not loose your place. Just pick up where you left off and continue until the room is clean. So go answer the phone or change the baby. I only use 3 readily available products in both my business and in my house to clean everything. No more need for window, floor, counter, toilet, sink, tub, shower and mirror cleaners. No more polishes, waxes or air fresheners. Just think about how much you spend a year on cleaning products? Go ahead, I'll wait while you look under your sinks and calculate that. More than \$20.00 per year? If you are spending more than that you need my book. Everyone that embraces my methodology has a cleaner home, extra money to spend on the important things and the time to enjoy them. I have a website; The Lost Art of House Cleaning.com where I have uploaded a number of videos demonstrating my methodology and posted numerous articles on cleaning particular things. I have read all the reviews posted about my book on Amazon and I found the vast majority to be very complimentary. I have also found that some of the harshest critics still recognized that my methodology works. In addition to the Amazon reviews I have personally received comments and compliments directly from the people that have bought my book. And I know that what I say in my book has helped thousands realize that cleaning their home is not all it's cracked to be if you know what you are doing. So buy my book, read it the first time for entertainment then read it a second time for inspiration and then, Enjoy the Clean! Thanks, Jan M Dougherty

Screwdrivered Alice Clayton 2014-09-02 Readers back for a third round of the bestselling Cocktail series will enjoy a madcap romantic comedy about bodice ripping and chest heaving, fiery passion and love everlasting. Plus a dash of paperwork filing and horseshi--wait, what? By day, Viv Franklin is a tough-as-nails software engineer who designs programs and loves hospital corners. By night, Vivian's a secret romance-novel junkie who longs for a knight in shining armor, or a cowboy on a wild stallion, or a strapping firefighter to sweep her off her feet. And she gets to wear the bodice--don't forget the bodice. When a phone call brings news that she's inherited a beautiful old home in Mendocino, California from a long-forgotten aunt, she moves her entire life across the country to embark on what she sees as a great, romance-novel-worthy adventure. But romance novels always have a twist, don't they? There's a cowboy, one that ignites her loins. Because Cowboy Hank is totally loin-ignition worthy. But there's also a librarian, Clark Barrow. And he calls her Vivian. Can tweed jackets and elbow patches compete with chaps and spurs? You bet your sweet cow pie. In Screwdrivered, Alice Clayton pits Superman against Clark in a hilarious and hot battle that delights a swooning Viv/Vivian. Also within this book, an answer to the question of the ages: Why ride a cowboy when you can ride a librarian?

The Hollow Gods A. J. Vrana 2020-07-28 Rich with folklore and paranormal intrigue, The Hollow Gods is an atmospheric supernatural thriller that will satisfy lovers of Hannah Whitten's FOR THE WOLF, especially those craving a fable with a darker touch. Black Hollow is a town with a dark secret. For centuries, residents have foretold the return of the Dreamwalker--an ominous figure from local folklore said to lure young women into the woods and possess them. Yet the boundary between fact and fable is blurred by a troubling statistic: occasionally, women do go missing. And after they return, they almost always end up dead. When Kai wakes up next to the lifeless body of a recently missing girl, his memory blank, he struggles to clear his already threadbare conscience. Miya, a floundering university student, experiences signs that she may be the Dreamwalker's next victim. Can she trust Kai as their paths collide, or does he herald her demise? And after losing a young patient, crestfallen oncologist, Mason, embarks on a quest to debunk the town's superstitions, only to find his sanity tested. A maelstrom of ancient grudges, forgotten traumas, and deadly secrets loom in the foggy forests of Black Hollow. Can three unlikely heroes put aside their fears and unite to confront a centuries-old evil? Will they uncover the truth behind the fable, or will the cycle repeat? "The writing sizzles with menace, and the dark mythology A.J. Vrana weaves from dreams and nightmares is unlike any I've ever encountered, in and out of books." - Katya de Becerra, author of OASIS and WHAT THE WOODS KEEP "Utterly consuming with palpable emotion, an engaging mystery, and absolutely delicious tension, this is one that lingers after you've turned the final page, an itch that needs to be scratched." - Verified Reviewer "I would highly recommend this book for anyone with interest in folklore, magical realism, and a dark touch of horror. An absolutely stunning debut from this author. I have pre-ordered my own copy of the book, and I am very much looking forward to the second book in The Chaos Cycle." - Verified Reviewer "The Hollow Gods is a striking debut about guilt, grief, and how the past sometimes finds a way to come back to haunt us. The roots of this story will be familiar to those who enjoy reading about fairytales and folklore, but Vrana has added her own touch to the genre that allows this novel to hold its own against the greats." - Verified Reviewer "A gem of a book. Can't wait for the next one." - Verified Reviewer "Vrana crafts a unique local mythology and draws from existing lore to create a sense of creeping dread." - Publisher's Weekly The Chaos Cycle Duology is best enjoyed in this order: Book 1: The Hollow Gods Book 2: The Echoed Realm

Onyx W C McClure 2020-02-20 Perfect for fans of the Divergent, Hunger Games and Maze Runner series, ONYX:05 is the story of a young woman navigating the cracks of a breaking dystopian world. Erin has had more names than most. Born Abrea, citizen number unknown, she spent her childhood in a shifting landscape of identities, hideouts and survival training camps. Nowhere was safe for long. The Red Guard, elite soldiers for the Oru, hunted her family relentlessly. When she was twelve, her parents left her in Kelig to enter the agency with a warning to remain hidden and never to speak of her unique upbringing. Seven years later, a showdown with Uari's celebrated demi-Orun, Zade, reveals to her

the secrets behind her childhood. She lets the world believe Zade succeeded in killing her in order to escape, but now she's armed with Zade's citizenry name, Paolo. She begins a hunt of her own. Erin must navigate a web of espionage games, the eyes and ears of an ever-watchful Uarian agency, the wrathful justice of the Oru and a growing divide within her own heart on her path toward vengeance. It may be enough just to survive.

The Astonishing Color of After Emily X.R. Pan 2018-03-20 A stunning, heartbreaking debut novel about grief, love, and family, perfect for fans of Jandy Nelson and Celeste Ng. Leigh Chen Sanders is absolutely certain about one thing: When her mother died by suicide, she turned into a bird. Leigh, who is half Asian and half white, travels to Taiwan to meet her maternal grandparents for the first time. There, she is determined to find her mother, the bird. In her search, she winds up chasing after ghosts, uncovering family secrets, and forging a new relationship with her grandparents. And as she grieves, she must try to reconcile the fact that on the same day she kissed her best friend and longtime secret crush, Axel, her mother was taking her own life. Alternating between real and magic, past and present, friendship and romance, hope and despair, *The Astonishing Color of After* is a stunning and heartbreaking novel about finding oneself through family history, art, grief, and love. "Emily X.R. Pan's brilliantly crafted, harrowing first novel portrays the vast spectrum of love and grief with heart-wrenching beauty and candor. This is a very special book."--John Green, bestselling author of *The Fault in Our Stars* and *Turtles All the Way Down*

The Intangible C. J. Washington 2021-12-07 C.J. Washington's riveting debut novel dives into the raw emotions of a grieving mother whose quest to heal from a mysterious condition threatens to unravel the lives of those around her. Amanda Jackson has always longed to be a mother. The early weeks of her first pregnancy are a mixture of joy, anticipation, and uncertainty as she and her husband prepare for the journey ahead. Then comes a devastating loss. Even though her doctors tell her otherwise, Amanda believes she's still pregnant. Her diagnosis is a rare, mysterious

condition called pseudocyesis. Betrayed by her mind and body and her marriage strained, Amanda turns to neuroscientist Patrick Davis for answers. Patrick understands the strange twists and turns of the human mind better than anyone. But as he spirals ever deeper into Amanda's illness, his own homelife crumbles as his wife, Marissa, struggles to cope with her own loss. Marissa's unique and, some may think, macabre work is her salvation, but it's pulling her further and further away from Patrick. As the two couples confront the fraught intersection of science, death, and human emotion, they venture into the darkest corners of each other's lives. What they find there could change them forever.

In other words, to *Live An Artful Life* is to grow through experiencing the power of creativity, the freedom of imagination, and sharing your inspiration with others. It's not only knowing art exists, it's allowing artful things to live within and around you--there to inspire you and bring you joy, to be another language or voice.

Monique Lhuillier Monique Lhuillier 2021-09-28 This ultra-stylish debut book celebrates the eternally feminine, whimsical, and divinely chic red-carpet dresses and bridal gowns created by one of fashion's foremost designers. Internationally acclaimed fashion designer Monique Lhuillier started by designing exquisite bridal wear in 1996 in Los Angeles. With collections that are sophisticated and feminine and appeal to modern women, Lhuillier expanded to include ready-to-wear, footwear, bags, accessories, and fragrances. Her distinct aesthetic is inspired by her mother's graceful style combined with Lhuillier's trademark refined touch of romance—adding a splash of glamour and a playful fairy-tale element to each design. From dazzling red-carpet cocktail dresses and alluring eveningwear to her showstopping bridal gowns, every beautiful piece is created with the finest fabrics and unparalleled craftsmanship. This debut volume captures the joy, chic opulence, and modern femininity of the Monique Lhuillier brand. The designer takes us through page after page of gorgeous celebration gowns and ready-to-wear pieces: sequin-embellished tulle frocks, elegant long-sleeved sheath gowns with front slits, and luxurious couture wedding dresses with flutter sleeves—all embodying Lhuillier's inventive romanticism with a modern tilt. Loyal celebrity fans include Emma Stone, Halle Berry, Blake Lively, Gwyneth Paltrow, Taylor Swift, Reese Witherspoon, Regina King, Jessica Alba, and former First Lady Michelle Obama, among others. Replete with eye-catching color photographs of Lhuillier's dreamy designs, this elegant book will appeal to lovers of fashion and style, as well as future brides-to-be looking for inspiration.
